Current date:

Autograph:

Dear Sir/Madam,

We hereby welcome you to our Health Centre, SHG Gezondheidscentrum Leidschenveen, located at Harriët Freezerhof 195, 2492JC The Hague.

Whenever you have a question, your first contact will be with our assistants, who can help you by phone, through email/chat or at the counter.

To make the transaction to us as a new patiënt as smooth as possible, we ask you to follow these steps:

- Please fill in the registration form as detailed as possible.
- Contact your previous general practitioner and ask them to unsubscribe you as a patient and transfer your files to SHG Leidschenveen. We cannot write you in as a new patient if you're still registered to your old general practitioner. Make sure to have enough medication at home for this period of waiting time. If you have an urgent medical matter, we advise you to visit your old general practitioner first.
- Is your health insurance company located outside of the Netherlands? Then we cannot directly send a nota to your health insurance company. This means that you will need to pay after a consultation at our counter, and send the nota to the health insurance company yourself. We sadly cannot accept creditcards, but do accept debit cards or cash.
- Make a copy of your health insurance card and identification card of all the family members that you want to register and attach it to the registration form. You can ask us to make a copy for you as well.

If you have any questions, please speak to any of our assistants.

Kind regards,

General practitioners of SHG Leidschenveen
